“ So very sorry to hear the passing of Tom. My deepest heartfelt sympathy goes out to the family for your loss. I first met Tom in the early 80's...when we worked together at the Palisades plant. We became very good friends...in a short period of time. Tom eventually become my work boss there. What a great guy. He was a very caring individual and always willing to go the extra mile for his friends and loved ones. Please know that I keep you all in my heart, thoughts and prayers. Tom will be missed....but never ever forgotten. God bless you all.
