“ Growing up I remember Stacy and I always giving Tom a hard time because he was always picking on us some kind of way..he was always there to make someone smile or just to say Hi in the hallways.. I can not even imagine how your family is feeling right now, but just know that our prayers and thoughts are with you every step of your day. Memories are all we have now and they are great so we will all just remember him as the great guy he is. God Bless all of you!###imported-begin##Jessica Wanczowski##imported-end##

“ To the family: I found this poem and thought it was nice. I just wanted to let everyone know that you are in my thoughts.

*I Do Believe*  
by Jennifer Janiszewski

*There is nothing i can do,  
to make him come back  
There are no words I can say,  
that can replace the words you long to hear*

*There are no answer's I can give,  
that will satisfy your questions  
There is not another soul I can introduce you to that will ever  
replace his  
And, there is no love I can offer that will ever replace the love you  
shared*

*I can not promise your broken heart will ever be complete  
I will not say it could have been worse  
I will not deny it was a tragedy  
I will not lie and tell you he will come back*

*He never really left*

*I do promise he hears you when you speak  
I will say he loves you no matter the distance  
I will not deny he is in a better place  
And, I will not lie; he is waiting to greet you someday*

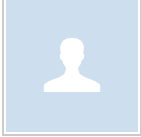

*He is every step you take  
He is in everything you do  
He is the air you breathe  
He is every beat of your heart*

*" He is like the wind. You can not see him...but you will always*

“ *Barb,  
words cannot express your loss, the pain changes, but the void in  
your life goes on forever. just know that for whatever reason God  
has chosen your son to leave this life, it's a good one, no matter  
what you think now.*

*keeping you in our thoughts and prayers.*

“ *I am a high school friend. My name is Vanessa and graduated with  
Tom. He was one of the greatest friends! He always seemed to  
have something funny to say that made everyone laugh. After high  
school I moved out of state for college and we kind of lost touch.  
I am really sorry. Tom IS a great guy and had the biggest heart! He  
will be missed by each and everyone of us.###imported-

“ Dear Family-

*My heart is so heavy for you. Words just can't express how sad I feel. I just want you to know that you are in my thoughts and prayers. Somehow, I hope that knowing your friends are thinking of you at this time will help. I will always remember Tom as a good little boy at the Primary School. He was always so friendly and kind to me. He was one of the few that never got in trouble when I would supervise the playground! Tom always had that cute little smile on his face for me. Try to lean on the Lord, He will give you comfort.*
