“ Uncle Tommy,
I Love and miss you more each day. I wish that I could see you for just one more day! Its hard going through each day and not knowing how you are, or what you have done through out the day. One day I will be with you again. Our family will be whole again, I hope you were the angel that took Uncle Tim by the hand and brought him to your land. Your my angel and after the night you went away I knew I would never be alone cause you will always be right by my side. Your forever in my heart, I love you SOO much!

“ I feel a warmth around me
like your presence is so near,
And I close my eyes to visualize
your face when you were hear,
I endure the times we spent together
And they are locked away inside my heart,
For as long as I have these memories
We will never be apart,
Even though we cannot speak no more
my voice is always there,
Because every night before i sleep
I have you in my prayer.##imported-begin##Kaylee

“ As the days come and go and the world moves on,
I know you're still here, you'll never be gone.
On the night the Angel came and took your hand,
We cried as you left for an unknown land.
But Heaven rejoiced as you came into sight,
For your soul was a diamond, shining so bright.

I remember the day when you left us. Everyone in a unknown state, some where we have never been. God put us in that place for a reason that is still unknown to us. Everyday I wonder why you had to go and wonder if i will ever see you again. I know your every where with me, watching over me and holding my hand when i need you. I use to have a amazing, kind, wonderful uncle that was the most amazing man i knew but, now i have a guardian angel that i know will never leave me. Your in my heart forever Uncle Tom. I love you so much. I just wanted to stop by and take time to remember some of the wonderful times we had together. Nothing helps me forget the pain besides remembering your smile and your laugh that I always hear and feel in my heart.

Thank you for helping him and i know you know who i am talking about I know it was you.##imported-begin##Kaylee Blodgett##imported-end##
