“ *I will always remember the first time that I really got to hang out with you and get to know you. When we were in Bay City running in the halls with Amanda and the other bowlers from the bowling place that I bowl at. We had so much fun. You are a great person. You will always be missed but never will we forget about you. I am very glad that I got to met you.*

“ *Tod and Kelly, your brought a son into the world 17 short years ago, I can only imagine the pain you are going through. I know you miss him terribly and desire to see him again. There is this wonderful hope- The Resurrection. Please read these verses in your Bible they are very comforting and encouraging: Luke 8:49-56 and John 5:28,29.*

“ My Baby, I still cant believe this is really happening! I miss you, I can't breath! I feel like I am coming right out of my skin at times. The one thing that keeps me going is to know that you are with Gma, and she is taking care of you or you of her, lol, I just can't imagine how I am gonna do this with out you here, but I know I have to, I know you want me to, I will never understand why you were taken away from me! I love you so much! Me and You against the world!!! And once again, we will get through this together!

Love,

“ I never had a chance to meet the young man but if he was anything like his mother and the rest of her family he was most likely a great young man. Thoughts and Prayers go out to his friends and family. It is hard enough to loose anyone and has to be even harder to loose a child. RIP Todd!

“ *Just thought I'd share this poem I found online... <3*

*There is nothing I could do or say
to make you feel complete.
Or take away the grief you feel
since the day he went to sleep.*

*As time goes by we begin to learn
about GOD'S master plan
and accept the fact HE has him now
he's walking hand in hand*

*He was needed there, we don't know why
although it hurts to be apart
the love we shared together
will live FOREVER in our hearts*

“ *Tod Was The Best Friend I Could Ever Ask For! Whenever I needed to talk to someone he was there. No matter if he was busy or not. I did the same in return for him. He gave me some very wise advice. I remember ever word he has said to me, and i will continue to live by it. Tod helped me change my way of thinking, my whole life style actually. & everytime we talked, i always told him that i didnt know how i was going to repay him for what he's done for me. I Love you, & I'm Going To Miss You. It hurts like hell, but i'll see you again. Just sucks that you left us so soon. You touched so many lives, toddy its unreal. i wonder what youd think if you read some of the things people say about you.. you are an amazing boy. & so many people were blessed to have you in their lives. i just wish i could have seen you one last time, or talked to you one last time. <3*

Until we meet again, Rest Tod.

You deserve it, and watch over all of us..

i might have lost a friend, but i also gained an angel, & im so thankful for that.

“ *I remember Tod in my 8th grade social studies class so well that it seems like just yesterday. Tod had the funniest sense of humor and he and I "got" each others sarcasm. My heart goes out to all his friends & family in Michigan. You are in my thoughts and prayers.*
