“ Ms Nae Nae.....I will always remember and love you for who you were....you have been a good friend always...I remember the first time I met you....you always was very strong minded and very full of life....I always admire you for always being honest and forward..you was who you were and if anybody didn't accept you that was their lost....even though there was times you would get upset and with me and I just let it slide and always new that you would always say you were sorry for being so quickly being upset...you had a very big heart and full of love....never show anyone your sorrows just wanted to be carefree... which is one of the things I always admired about you....everytime I see wild flowers I will think of you.....thank you for Beanie...you always be on my mind.....love you Nae!

“ Dear Gonzalez Family and Friends,
I wasn't privileged with the remarkable acquaintance of as you were, but it saddens me to read of your loss. Please accept my family's sincerest condolences. It brings great comfort to many to know that the Almighty God and Creator promises us in his word the Bible, that soon death, mourning, outcry, and pain will be no more. May you have peace.
