“ Trace was one of my buddies, we quickly became cool and got along. He was a great guy and was easy to get along with. I wish I had spent more time with him, miss you bro. Heavenly Father I ask that you touch the hearts of the family, bless them with your love and guide them during this time. Lord I ask that you pass on a big hug to Trace from all of us. In your name I pray, amen!

We will see you again man, get those beard trimmers ready buddy, I'll need fixed up when I see you again lol. Rest in peace bro.

“ I met Trace when he first moved to FL. He was just as new as I was also from MI. We got it off rite away.

Lots of talks and hanging out and he always made sure I made it home safe. He looked out for everyone. He had a huge heart !!!!!

He is going to be missed by so many of us.

Fly high my dear friend.

Much love 💕💕

Many prayers for all that are feeling this tragic news .

“ I was a friend of Tace in FL, I met him the first week he came here, we spent lots of time together, he was such an amazing talented young man. We spent many nights of long conversations about life, he was such an amazing soul and was grateful for the time I got to know him. Your family is in my prayers during this time. He will be greatly missed

“ Trace was like a brother to me. We spent alot of time together from growing up as kids eating hot chocolate pudding aunt Martha made us , to the long nights we would stay up drinking beer and talking about new and old music we both liked , Trace was the kinda guy who always cared about how others felt ,and he would try to make ya feel better anytime he knew you were down , he always pushed me to try again at things I failed at , weather it was Taking another swing at an elusive golf ball in front of me , or trying to nail a song I couldn't quite get right he always believed I could do it , I'll miss the times we spent learning songs together to play around the fire with our friends, and the epic rounds of golf we had !!!most of all I'll miss his kind heart
