“ Tracy Jay Smith was my first crush at the ripe old age of 7. We moved West to California with the Smith family by train when Tracy and I were 9 years old. We have lots of memories of our families growing up together. I miss the entire family. I am sorry to see that Tracy has been lost to you. Just remember, you will meet again. Love to all. “ Dear Smith Family and Friends,  
I wasn't privileged with the remarkable acquaintance of Mrs. Smith as you were, but it saddens me to read of your loss. Please accept my family's sincerest condolences. It brings great comfort to many to know that the Almighty God and Creator promises us in his word the Bible, that soon death, mourning, outcry, and pain will be no more. May you have peace.
