“ Aunt Tracy.

You will be missed so much. Since a child, I could count on you to tell me the truth and show me that family superseeds all. Your love will be felt forever. I am praying for you and the entire family as we greive over your passing, but am joyed that you will live eternity in bliss and without pain. May God bless you! I love you.

“ *Tracy, you are in no pain now, You are dancing and singing, though we all miss you and love you, we know you are in a better place. We never want to let go, and I know you didn't want to go, but you are happy, I can see your big beautiful smile, I know you are with all of us in Spirit. You became part of our family officially July 7 2012, when your daughter and my son became one in Holy Matrimony, but you have been in our family for years, in our hearts. You were one of the most beautiful people I have ever met, because you had the biggest heart for the love of people. You are set free my friend, you are flying high above the Eagles Flight. We will be together again, and together we will dance and sing, We love you Miss Tracy, you watch over us with the rest of the Angels, we will be together again. R. I. P. Returned Into Paradise.*

“ I am honored and blessed to be able to say that I knew you in this life. So many of my best memories come from growing up as your "extra kid". Your daily presence will forever be missed but your legacy continues on through your children and grandchildren and the rest of us lucky souls who were blessed enough to cross your path. Rest peacefully, Tracy.

“ I remember going to your house all the time when I was younger. It was one of my most favorite places to stay over night at. You were a great Aunt with a big heart! As I got older I didn't get to see you as much and this saddens me tremendously! Sorry you had to go so soon but I know you are at peace now. I love you so much Aunt Tracy! I will think about you always <3
