“ *Truman was such a class act. He was always so kind. We had so much fun seeing each other at the Bangor Cruise, car shows, flywheelers, or just out to walk around the yard. One time I took my grandson to the yard and Truman had one of the Boys go out and pick up a car high in the air with the loader. My grandson love it. He will truly be missed. Definitely was one of the “Good Guys”.*

“ I will always remember his smile,laughter and how kind he was. How he loved playing with the grandkids, enjoyed family trips and how much he loved Sylvia. He often talked about how she was his rock. He also knew how much he was loved by her, his kids and grand children and great grand daughter. To my children and I he was and always will be papa and dad. We will defiantly miss him but I know We will all see him up in Heaven one day.

“ Truman was one to welcome everyone in his family and home, lots of memories riding the Harleys on trips with him and Sylvia, whether it was out west to Vegas or South Dakota or Florida, it was always a pleasure and a privelege to ride with such a great brother and brother in law. Truman was one of the Nicest Guy's I've EVER had the HONOR of knowing!!! I've been coming to the "Yard" since I was 12 or 13 helping my brother & his buddy get parts LONG Before I could even Drive!!!! He NEVER talked Down to us or made us Feel as though we were just punk kids He was QUICK with suggestions & answers on how to FIX whatever it was we were working on!!! He was an encyclopedia of Auto & Mechanical knowledge and was ALWAYS quick to share it when asked!!! I was Happy for him when he Retired tho I MISSED Seeing him at the yard But on the occasion that I DID Catch him there We'd stand around & Laugh & Joke & just VISIT!!! Rest In Peace my Dear Friend!!! THANK YOU for Everything you Told Me or Showed : Jeff Hammann
