“ I totally wish I could these years and enjoy the Church on Saturday with sleeping in the pews, your winter green bubble gum, Sunday breakfasts, and above all the many times you made chocolate sheet cakes. For my birthday. The time you took Dakota and I to Chicago by the Amtrak. Also when you and mom and Oliver drove to Florida to see my First son to be born. These are just a sorry short list of why I have and will love and cherish you Forever. Me +3= <3 you

“ Will miss those Sunday morning breakfasts at your house. Good eating with plenty of family love to go around. You will truly be missed, but your memory will live on through all of us. You are gone, but not forgotten. I know you are in a much better, happier place. You are now with Jesus and I know we will be together someday. Love you!
