“ My heart is heavy and you are greatly missed. I am thankful that you are no long suffering, but earth is a little less bright without your presence. You were an amazing, thoughtful, loud and crazy woman. I will forever listen for your cheering in a crowd (I got my loud voice from you). Rest in peace and win big in heaven. Love you always.

“ *Dearest Vicky,*

I will forever remember your smile, your spirit and grace. You are what so many people aspire to be and you did it so effortlessly, because for you it was natural and authentic. The warmth and light you projected touched so many, so much more than you will ever know.

I am a better person because of you and I am forever honored to be your cousin.

Deepest condolences to family and to all who knew and loved Vicky.

With love,

To a great friend, a wonderful co-worker and a very giving and caring person. I love you, Vicki. I know you are in heaven playing a few slots. Give it a pull once for me. Always in my heart with all of our fun memories - from wearing our "hillbilly teeth" to Weight Watchers, sharing our frustrations and lots of tears and laughter. I know you are in a better place.

“ To the Page family,
Where do I start? You are one of the finest families in town. You are such a close nit family and it always has showed. Vicki was such a rock star at everything. When she was present you knew it and she always had a smile on her face even when she didn't feel well. Her favorite thing was to be with family and loved Bloomingdale. We will miss her in all our endeavors and loved her to the moon and back. May she R.I.P. and watch over us all. If we listen close enough we will hear her. We love you Vicki!

“ My memories started in Pine Grove Bowling alley. You always knew when she arrived, she had the loudest laugh. She was so much fun. Then one week she announced she would be quitting bowling so she could save her money to build her beautiful home, and she did a great job, but bowling was never the same. She was very proud of her Husband Son and Family. She was the happiest lady i have ever known. Vicki thank you for the memories, and friendship. I know your singing in the angels choir, and your wings are just beautiful, just like you. Keeping the family in my prayers and thoughts, may our Lord keep you lifted up and give you strength and peace. Love to you all.

“ *Vicki was the most gentle and caring woman. She always went above and beyond for our family and we will miss her terribly. My favorite memory of Vicki was when I was little and we were attending my Uncle Mark's baseball game. She tried so hard to distract the other team with her loud banter. I was mortified at first but then couldn't stop laughing. She took the role as "cheerleader" very seriously. I can still hear her saying, "Swing batter, batter, Swing!". She was proud of her family and she made sure everyone knew it. And in all honestly we loved her. So much that we will continue on with her legacy. I hope everyone can share a smile, or even a friendly banter, in her memory.*
