I remember when Mr. Sedlak helped my dad (Bill Babor) put a set of headers on the '78 GMC 4x4 we had, that truck was awesome after that. I also remember him marching in the parades with the honor guard for the Legion with my dad. He always had a smile and was laughing. He will truly be missed by all who knew him.

May the family find peace in remembering the good times and know that now he is on a new journey. My prayers will be with you during this difficult time.
