“ My condolences to the Fish family. We may find that our hearts are weighted down when we loss a loved one. Many calamities are the results of "time and unforeseen occurrence" as Ecclesiastes 9:11 says. But no matter what, we can cope if we focus our attention on "the God of comfort" he will give us the strength needed to continue on. I hope this bring you and your family some comfort during the difficult days ahead and in your time of need.
