“ Who would have ever imagined that Virginia and Don, and my
parents Angelo and Phyliss would have a great great grandchild
and great grandchild in common. We are so blessed to have had
the Walantyn family in our lives since I was born. I remember going
to church with them, guild meetings, Ham and Yam dinners, and the
list goes on and on. I am sure that the 4 of them are talking about
having a fish fry and how soon my dad can get those bluegills
cleaned. May they rest together in eternal peace. God Bless! Hugs
and Prayers -

“ *Many fond memories of visiting Don and Ginny with my parents growing up. They were friends going back to their high school days. Throughout my adult years I would run into Ginny who always had a smile and wanted to stop and catch up on my parents. I will miss those quick but special conversations.*
