“ Virginia Munn was the first to welcome my family when we moved to Grand Junction from Detroit in 1987. From the age of 6 she watched me grow up and graduate from Bloomingdale. She was also my first Sunday school teacher. She is the reason I gave my life to Christ at the tender age of 6. She was more than a neighbor to me. She was more like an aunt. She tried to teach me about gardening, took me to yard sales, and even took me to the hospital when I burned my leg. She is still greatly missed. I can go on and on with some of the memories I have of her, but it would continue for a long time. She helped shape me into the woman I am today. I can never thank her enough for that. It takes a village and she truly believed that. -Emily (Patton) Davidoff

“ My thoughts and prayers are with you.
Your mom was a very dear lady and a very good cook. School lunches have not been the same. The high school staff still talks about how she made the best lunches.
The road ahead is a very sad and hard one. But with your faith in the Lord you will make it. I truly believe that is what pulled me through the death of my parents. The Lord is always with us and doesn't give us problems that we can't handle. Trust in Him and believe in Him. He will help you get through it.##imported-begin##Deb (Martin) Fleetwood##imported-end##

“ Dear Munn Family,
How sorry I am to hear of your mothers passing. She was a great woman. She was always running around involved in something or another and of course with a smile. You are all in our thoughts and prayers.

“ Dear Munn Family,
I was saddened to hear of Virginia's passing. She was a wonderful person who always cared about everyone - especially the students with whom she worked.

I know we were distantly related, but always had to ask her how.

Please know that she and all of the family are in my thoughts and prayers.
