“ *Our condolences to the family of Vivian Hutchins.*

Vivian was so kind to our children through her efforts to teach them pottery and basket weaving through 4-H. She was always happy to help the children learn new skills to be used throughout their lives.

She shared her many talents and knowledge through her volunteer efforts to the community at the Van Buren County Historical Society as well.

Our world needs people like Vivian who are caring, kind, and willing to share their talents and time for others.

May God bless her soul with eternal peace.

“ *My condolences to the family. Mrs. Hutchins was active in 4-H with the Arlington Harvesters while I was a youth. She was a wonderful woman with a serving heart! May she rest in peace and may God give you comfort at this time.*
