

Wanda Chadwick

August 30, 1962 - February 12, 2010

Went to rest with the lord, February 12, 2010 at her home with family and friends by her side. Wanda was born August 30, 1962 in South Haven, the Daughter of Ray and Patricia Gullion. Wanda had been a strong survivor for many years of cancer. Before becoming ill, Wanda was employed as a security officer at Palisades Nuclear Plant. Wanda loved putting together puzzles, had a passion for riding horses, lounging in the sun by the pool, laying in her tanning bed at home and most of all, Wanda's favorite thing to do was being a Grandmother. Wanda was a very hard working woman who always put her children and her family before herself. She was always concerned with other peoples needs before her own. She was a wonderful mother to her two surviving sons. She was a very caring, loving, nurturing woman who would give you the shirt off her back, she was a one of a kind who will be missed dearly. Surviving are her love, Fiancé Lawrence Burns whom she spent many years with; two sons, David and Aaron Saffell; her mother and stepfather Pat (Bill) Brown; two sisters, Sharon Gullion and Rhonda Wright; three brothers, Jack (Sue) Goff, Duane Johnson, Shannon Gullion; an aunt, Sherri (Junior); an uncle Ricky; her grandparents, Richard (Betty) Clark; A stepdaughter; Amber (Josh) Evans; grandchildren; Kassidy and Aubrie Evans, Mallony Rose Saffell; several nieces, nephews and great nieces and nephews. Wanda was preceded in death by her father Ray, a brother Ray "Scott" and her grandmother Doshia Gullion. A memorial service will be held on Wednesday, February 17th, 5:00 PM, Pastor Robert Pumfery

“ *"Mama" Wanda, oh you will be so missed! I always thought there was more time to catch up! I wish I had known that time would be so short, so that I could have spent it with you. Our times together are treasured memories. I will never forget conquering the Blue Water Bridge to Sarnia with you and Aaron and all of the lunches we spent together at Palisades. May God grant us all who were touched so deeply by you peace and comfort. Until we meet again, may you rest in peaceful slumber.*

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things [of this Earth] are passed away." Revalation 21:4##imported-begin##Monica Thompson##imported-end##

Pat at times like this I wish we still lived there, so I could hold you when you cry, listen when you need a friend with a good ear and give you all the love and support I have to give to you my friend. “ I am truly sorry for your loss. I am so glad that I was able to meet her back in 1999 -2000. We met at Brookville,In.,at a reunion of family members that I had never known existed. She was there with Duane and of her son Aaron. I was one of her father Ray's youngest brothers, and had been removed from the family in 1957. I was blessed to have the privilege of talking to her several times after. The last we had talked, was after an extended hospitalization at the University of Ann-arbor. Although I didn't get to really know her, I know that she was a good and caring mother and friend. She will be greatly missed.##imported-begin##John and Marilyn Barcus##imported-end##

“ My Aunt will be truly missed. She always tried to do everything she could, she gave me her home, her heart. I will never forget the things that she did for me. David- I will never forget the day we accidentally put her car in neutral and rolled down the driveway, and we tried to push it up the hill before she came out of the house, or sneaking the cats upstairs from the roof from Grandma Saffels house- she was so mad...glad we could laugh about it later. Aaron- We had some fun, even when we played school when we were little- you were always so smart! I learned a lot from you! To the rest of my family- My mom, Sharon Gullion, My Great Grandparents, Grandparents, Aunts, Uncles, Cousins, Nieces and Nephews- Thank you for everything you have done. I know how much it meant to Aunt Wanda. May she be in a happier, better place now. I love you all.

Love Always,
