“ *Dearest Robin and Kelly,*

Wishing I could be there to help you through this difficult time. We have been through a lot over the years, and wish I could be there to pay my respects to your mom. Wanda was always so nice to me. She will be remembered as that strong hard working woman I knew who always had a smile on her face. She was a true gem, and will be missed by so many. Our selfish side wishes she were still here with us, but we can have peace in knowing she's free of the pain and confusion that has haunted her for so long.

Gods speed Wanda, and I look forward to seeing your smile again one day.

*Love you Always,

“ I know your pain & loss Robin Perry... Just hold on to the thought that she no longer is imprisoned by her illnesses and is free to watch over you once again. Wanda, you were an awesome woman - strong & funny & the world is a little sadder without you. I miss you sweet soul.
