“ I grew up being a neighbor and a friend to her children. I loved them all. There wasn't any project too large for Wanda to tackle. If you ever talked with Wanda, you had better have hours, because it was never a short conversation. Her laugh and smile will surely be missed. Hugs to all!

“ *Wanda, my sister, was a beacon of light and would pray with when you had dark times in your life. We enjoyed talking times past. I'm so glad I visited her this past August as I live in Calif. Rest in peace now in your heavenly home with Leo and all the family gone before. I miss you already, love you always,
