“ *In the late 70's, I worked with Wayne at Precision Plastics in Three Oaks. I can't tell you what a privilege it was to work with Wayne and be considered a friend. I was a young married girl at the time, and he treated me like his daughter. I have always remembered his kindness, his work ethic, and have tried to lead my life in manner in which he would have proud. My sympathies to his family.##imported-begin##Katie Westveer##imported-end##*
