“ Wes was a true friend, gentle soul, humorous man, good natured and a great husband to Mickie. I will miss our frequent cookouts in the summers, his funny jokes and motorcycle stories. He has been sick for a long time and lived through a miracle a couple of years ago. He was tired and the Lord God knew he needed rest. I will think of him often walking around painlessly on his new legs in Heaven on the streets of gold. I bet he is even riding a Harley that we can only imagine its magnificance. Dan and I will see him again for Our Savior promises that...until then my friend! -Gina Brownell

“ Wesley, was and amazing man with alot of love and a great big heart,he married my mom barbara who we lost 4 years ago.there are many kinds of love in this world and i feel he knew them all.When i was in 2nd grade i wanted a race track for christmas,but back then girls didnt get those kind of gifts,but he made sure santa brought me one. when i entered jr high i made the softball team and played thru high school,he helped me every weekend and i have several trophys just because he taught me how to be a good pitcher but a good sport. I have loved him my whole life,he was a great husband to my mother,and father to us 5 girls.I know he is in heaven now and at peace because he never said a negative thing about anyone,always positive.He was had a great influence on myself and my sisters and I dont know how my baby sisters rebecca and melissa are going to be able to go on with out him,he ment everything to them,and they are so stricken with grief because there dad was the center of their world.He comes from a wonderful family and i was so glad to get new aunts and uncles when he and my mother married,I love them all ,even though time has passed and i am 51 now my meomories are still totally real.I would like everyone to remember all the happiness he brought to your lives and how he never gave up on a soul,I love him and I hope he and my mother are watching over my sisters and they he knows I loved him with all my heart.
