“ To all our Family, Neighbors and friends Thank you for all your prayers and nice words. Billy was an amazing Son, Brother and Father. He is the one we counted on for fixing everything, and he always knew how! He had a gift that was amazing. He was a great Father to our Kaelynn. A great Brother to Heather, a true jokester, and Great Son. He would do anything for anyone no matter who you were. We will miss you greatly Billy. Your daughter and dog will be taken care of by us all. Love you so much, I know you and Dad will be watching over us.

“ Love you Nancy, Heather, and family. Best memory I have of Billy out of the hundreds is Nancy coming home and Billy was under my car. Had to be 20 years ago. Nancy drove by and told Billy “machanics don’t work for free son”. Billy said “yes ok Mom”. That is the the type of person Billy was. He was always helping his friends and he was a great person inside and out. Going to miss you Billy. I love you man.

*This is how I remember my brother. Always catching the biggest fish, winning at random scratch off tickets, and being the goofiest person. He was the best at everything he did and would be so humble about it. One time the main drain for my house broke, Billy went under my house in 2 feet of sewage and fixed the pipe, the whole time yelling that we needed to stop eating kern (corn). Wes came over laughing his butt off saying "man, it smells like sh*t over here." The entire time them two teased me with every poop joke you could think of. I don't know what this world is going to do without you. I love you Billy!*

“ *You had such a gentle soul Billy. Our hearts are hurting and feeling a tremendous loss already. Always so kind and generous to everyone and willing to give a hand to help fix anything. Fearless to climb high in a tree to take down branches when a tree fell on our car, fix things at the restaurant as well as at our home. You were a true friend to our brother Steve until the end. The one quality that resonates with all the stories we are reading about you is your quirky and fun sense of humor. Always the funny guy with the Big Smile. The World needs more of that! Best of all, You were an amazing, loving Dad to our precious granddaughter Kaelynn and respectful son in law to us and to all of our family. We will miss you! But as sure as the sun comes up, the moon rises and stars shine we will always feel your presence around us ... You will be that twinkle in your daughter's eyes.*

“ I only met Billy a couple times but my heart breaks for family and for friends. Mostly for his children.... no words will ever take the pain away but what we need to do now is focus on the lives of his children and remember the good times spent with him.

“ Billy was a part of my life since I was 12yrs old. Always goofing around & making everyone laugh. Always fixing things & helping people... or trying to trick people into asking for blinker bulb fluid & flux capacitors. I'm devastated that such a light was extinguished so young. I have only happy memories. Prayers & hugs to all his family & friends during this hard time.

“ Anyone who knew my father knew that he was an amazing man. He was constantly spending his free time laughing with his friends or hard at work fixing things. He would bend over backwards to make sure that his friends, family and everyone close to him was alright. I'll miss you forever and memories we shared will be cherished forever.

I liked your dad the moment I met him. He came to pick you up, walked up to the door, knocked, and when I answered it, he proudly introduced himself as your dad. He loved you with every fiber of his being and glowed when he talked about you, neon beamed when he was with you. So proud of you. I admired him for being that kind of man. And an all around nice, fun guy too. It's a privilege to have known him. My heart bleeds for you. Love you.
