“ you told me I would always be your 2nd mother, but you didn't tell me you were so sick, i would have prayed harder, my memories are my own, I won't SHARE them but I will love you till my lat breath, how did you get so sick and I didn;t know
it didn have to end this way, if you had only opened up and said help !!
but thats who you were, independent, not wanting to bother people. You carried a world of hurt inside, your love still shown thru
the place you are in my heart is forever locked away, there is no latch on the door, no one gets in
you always made me feel cherished, even when I FUSS ON YOU
WHY DID YOU WAIT SO LONG TO GET BETTER, YOU SHOULD HAVE CALLED ME
i AM SO MAD AT YOU
