“ I will always remember Uncle Bill's infectious and wonderful laugh. He knew how to have a good time and to share a good time with his family and friends. I was one of those nieces he taught to water ski - with incredible patience. I must have fell a dozen or more times but he kept encouraging to get back on the skis and do it again until I could stay up and enjoy the ride. He will be greatly missed. Sending love and hugs to all family and friends of Uncle Bill.
