“ *Grandma we love you! Always remember that Grandpa is another angel in heaven watching over us all....words won't make the pain go away but our love we hope will help you! No words can explain how much we will all miss grandpa. His memory will always live on in us and in our hearts. Grandpa we will miss you dearly and we pray that you will keep watch over us and our little girls. And please take care of our little man who I am sure was at the gates waiting for his great-grandpa with open arms.##imported-begin##William and Mary Gilbert##imported-end##*
