“ Dear Lois and family,
My deepest sympathy on the loss of Bill. I remember all the fun
times at the families house on M-40 during our high school years.
He was so handsome and such a wild and crazy guy.

“ Condolences to the family. As a young man I spent a lot of enjoyable times with Bill, both as a classmate and friend. We spent many days and evenings at the hanger either buliding or repairing racecars. Many evenings at the track and occasionally a day at the golf course. I am sure he is deeply missed by his family and his many friends.##imported-begin##Glenn Zettelmaier##imported-end##

“ Our prayers are with you at this hard time. Bill will be missed by so many people. He was very speacial to all who knew and loved him. So many memories over the years. At the race track out at Scott Lake when we were young and Aunt Irene's cooking food over the fire out there. Just very speacial memories that will live in all our hearts so he will always be with us.
We are thinking of you all. Peace##imported-begin##Shirley & Don Brown & Flossie Wesler##imported-end##

“ Mrs. Wesler, Diane and Scott,
I am sorry to hear of the passing of your husband and father. I remember when we all played golf together up north while Diane and I were camping. I think I was able to provide a few laughs for him as he did for me.
I lost my father about 1 1/2 years agos and I miss him dearly. It is hard, so I am glad that God is there to help us through the tough patches.
Much love to you and the entire family,
