“ *She treated my like her own. on Easter when I didn't have an Easter basket she made me one and hide it with the rest. She made the best pancakes and cakes. No one will EVER compare to how wonderful she was. I will deeply miss her.*

“ *My Aunt Wilma was one of the strongest women I know. Along w/ Hester (Momma), Aunt Sue, and Aunt Doris. You all had to be. Aunt Wilma you will be missed. I will always cherish how you always had a smile and something good to say to me every time I saw you. This I will cherish forever. You were loved. And though there were many miles between us I thought of you often. You were at my wedding to Dan and thank you so much for that. Thank you for being my Aunt. My thoughts and prayers are with your family and friends. Tina Bierhalter daughter of Hester (Sis) Wilson.*

“ *I will always remember you Aunt Willy for the quiet yet strong person you were in your life on earth. You took seriously the important things in your life & took care of them.....your family. And your laugh . You always laughed. Tho I didnt get to see you much in the later years as I am always on the road you took the time to ask my mom hoe I waz doing & recently didn't want to upset me by putting the wrong name on the Christmas card you always sent me after I got divorced & took my Rawson name back. I am enroute from California to Ohio & I just wanted to say you will be missed & have a good journey to heaven. To all my cousins you are & always will be in my thoughts & prayers thru this difficult time.....*
